

## Blown a Wish

## My Bloody Valentine

Midnight wish blow me a kiss  
I'll blow one to you  
Make like this  
Try to pretend it's true

Show me all your favorite things  
Show you all mine too  
Make a wish  
I'll give it all to you

Hold on to your promises  
Hold on to mine too  
Caught like this  
I'll turn it in with you

Fall apart my beating heart  
Nothing left to do  
Once in love  
I'll be the death of you
