

I Don't Love You

My Chemical Romance

Where'd you go?
So never think I'll make you try to stay,
And maybe when you get back,
I'll be off,
To find another way,

When after all this time,
Is you still around,
You're still the god falling nothing I have found,
So take your glass again,
And get out,
While you can,

Where'd you go?
And would you even turn to say,
I don't love you,
Like I did yesterday,

Sometimes I cry so hard from pleading,
So sick and tired of all the needless beating,
But baby when they knock you down and out,
It's where you ought to stay,

And after all the blood that you still owe,
Another time I was chancing it all around,

So fix your eyes and p,
Baby, get up,
While you can,

Where'd you go?
And would you even turn to say,
I don't love you,
Like I did yesterday,

When you go?
Would you have the guts to say,
I don't love you,
Like I loved you,
Yesterday,
I don't love you,
Like I loved you,
Yesterday,
I don't love you,
Like I loved you yesterday
