Teenagers

My Chemical Romance

- 1. They're gonna clean up your looks With all the lies and the books To make a citizen out of you Because they sleep with a gun And keep an eye on you, son So they can watch all the things you do
- 2. Because the drugs never work They're gonna give you a smirk 'Cause they got methods of keeping you clean They're gonna rip up your heads Your aspirations to shreds Another cog in the murder machine
- R: They said the teenagers scare
 The living shit out of me
 They could care less
 As long as someone'll bleed
 So darken your clothes
 Or strike a violent pose
 Maybe they'll leave you alone, but not me
- 3. The boys and girls in the clique
 The awful names that they stick
 You're never gonna fit in much, kid
 But if you're troubled and hurt
 What you got under your shirt
 We'll make them pay for the things, that they did
- R: They said... (2x)
 - All together now!
- R: They said... (2x)
