

Sorry

My Darkest Days

There's a knocking at the door
It woke me up just like before
Am I thinking of the end again?
Yeah, now you're running at the door,
Same old story as before
Am I thinking of the end again?
Yeah, there's a knocking at the door
It's what I did the night before
Am I thinking of the end again?
The end again

Sorry for all I done to you,
Sorry it's what I had to do,
Show me a way to be with you
Sorry it's what I had to do
What I had to do

There's a knocking at the door
It woke me up just like before
Am I thinking of the end again?
Yeah, now you're running at the door,
Same old story as before
Am I thinking of the end again?
Yeah, there's a knocking at the door
It's what I did the night before
Am I thinking of the end again?
The end again

Sorry for all I done to you,
Sorry it's what i had to do,
Show me a way to be with you
Sorry its what I had to do
What I had to do

I had to wake up to realize that I lied
Why can't we make up and make everything alright?
I had to wake up to realize that I lied
Why can't we make up and make everything
and make everything alright?

Sorry
Sorry

Sorry for all I done to you,
Sorry it's what i had to do,
Show me a way to be with you
Sorry it's what I had to do
Show me a way to be with you
Sorry it's what I had to do
What I had to do
