Victory Dance

My Morning Jacket

Should I close my eyes and prophesize
Hoping maybe some day come
Should I wet the ground with my own tears
Crying over what's been done

Should I lift the dirt and plant the seed
Even though I'll never grow
Should I wet the ground with the sweat from my brow
And believe in my good work

Hey there, I'm flying up above Looking down on the tired earth And I can see, I can see potential Speaking through you, speaking to you From all of heaven's possibilities

Power, hey do you know how it works Hey do you know that the meek, They shall inherit the earth You should work, you should work (?) than the memory

Should I hit the water or stay on dry land Even though I've never swam Take machete into the brush Though at first there is no path

Taste the war paint on my tongue As it's dripping with my sweat Place my gaze in the future's path Seeing things that ain't come yet

Hope to watch the victory dance After whole day's work is done Hope to watch the victory dance In the evening's setting sun

Hope to watch the victory dance Over many lives to come Hope to watch the victory dance In the evening's setting sun

Setting sun Setting sun Setting sun

Hope to dance the victory dance After whole day's work is done Hope to dance the victory dance In the evening's setting sun

Hope to dance the victory dance Over many lives to come Hope to dance the victory dance In the evening's setting sun
