

Coolin'

Mýa

Wrote on the window
Drive through the cane
Boy, how'd you get so
Cool as ice in February
My favorite times and you're passing just side
Your hand on my left thigh
In my ear calling me baby

I don't care where we go
Whether it's fast or slow
As long as I'm with you
I'll be alright

Your love's like summer time
Yeah, it feels like it can't get any hotter
Kiss me like cherry wine
Yeah, it feels like it can't get any sweeter
So long, stop rocking me like you do it
Boy, I love the way that we do it
Cooling (cooling)
Yeah, we cooling (cooling)

High up in the sky
Like we're birds and planes
We don't need champagne
Cause the shit is flying by
Beside my name
I'm your sugar cane
You're my [?] and I love it

You know nothing lasts forever
So make it last while we're together
You be like the sweetest splendor
When I receive it all

I don't care where we go
Whether it's fast or slow
As long as I'm with you
I'll be alright

Your love's like summer time
Yeah, it feels like it can't get any hotter
Kiss me like cherry wine
Yeah, it feels like it can't get any sweeter
So long, stop rocking me like you do it
Boy, I love the way that we do it
Cooling (cooling)
Yeah, we cooling (cooling)

Cooling, oohoh
Yeah, we cooling baby
(I don't care where we go
Whether it's fast or slow
As long as I'm with you
I'll be alright)

Your love's like summer time

Yeah, it feels like it can't get any hotter
Kiss me like cherry wine
Yeah, it feels like it can't get any sweeter
So long, stop rocking me like you do it
Boy, I love the way that we do it
Cooling (cooling)
Yeah, we cooling (cooling)

Yeah, we cooling baby
Mmmm cooling
Yeah, we cooling
