Because we can just hear, let's do it .. there's nothing that I

Party all night, I know the moonlight, with my beautiful people
, we're looking so fine
Uh, we guess it comes so naturally, I'ma keep it rocking, where
you're the feelings so free
Stop stop, in my fever, this is my song song DJ turn up the fader
Let the dancers lights gather action, it's alright, it's a fabulous life
.. want me, I'm shining, I'm throwing, just like a diamond go down
tonight, it's a fabulous life
Throw your hands in the air, to the ceiling, we gonna have a hell
of a time, it's a fabulous, fabulous life

And they get me hearing baby, it sounds so amazing
Everybody's going crazy, let's do this, by music, party all night,
under the moonlight
With my glamorous speed, we're looking so fine
You know you want now get out your seat,
You know you can't just resist the beat
Come on now live it up the streets of fabulous life
You know you want now get out your seat,
You know you can't just resist the beat
So let's live it up baby it's a fabulous life

and boys
Get lost in the music, we don't have a choice,

I want to be, once a fabulous life
