

Get Over (Outro)

Mýa

Whoa-oh, whoa-oh
Hmm-hmm
Whoa-oh, whoa-oh
Hmm-hmm
Yeah

For anybody out there
If you're listening
Can I get a minute of your time?
Yeah, yeah
I got a little something that I've been wanting to tell you
(Tell you)
It's about this sweet, sweet, sweet journey of mine
You've been my force you're my strength
You're the source
And it's you that I thank
You're my everything yeah
Without you there's no me
Don't know where I would be
Now I see and I'm giving you thanks

You need to
Get over, get over, get over
Get over, get over, get over
Get over, get over
You need to
Get over, get over, get over
Get over, get over, get over
Get over, get over

Repeat 1 in background of ad-libs

Yo I gotta take the time to thank everybody that made this possible
All the people that believed in me
My mother, my father, my friends, my family
The record company, my management, my fans
But most of all thank you Lord
I want everybody to know
To stay strong and know that
No matter what the situation
We will get over, yes, yes

Come on will you fly with me
Come on will you fly with me
Fly let's get away
When I look inside of me
When I look inside I find a better place
