

# Lock U Down

Mya

Yeah, uh huh  
Yeah, sir  
What it is?  
See this right here is automatic man, understand that  
See what chu know bout Scott Storch got torch  
And Weezy F got fiyah, yes  
And we bringin' back Ms. Mya, get it

If I had a dollar for all of the times  
I thought I found the right one  
I'd be a billionaire and then I could probably ride out  
And go and find the right one  
I wouldn't mind a dude that could take my attitude  
And take the time to listen  
Someone that understands when I need a lil space  
And when I need attention  
But I'm lookin' for a real

Somebody with direction (direction)  
Somebody with affection (affection)  
That knows how to put it on me  
That's what I need (that's what I need)  
Somebody who could freak me, gently, when I need to be (oh yeah)  
Pick me up when I'm fallin'  
That's what I need

So when I find you, I'll neva let cha get away  
Neva let cha slip away  
I'mma lock you down, lock you down  
When I see you, I'll neva look the other way  
Neva let cha slip away  
I'mma lock you down, lock you down

Uh uh uh  
I hope she throw away the key too  
Got me tied up like a three piece suit  
Uh Mya's back gotta sweet tooth  
Miss Caramel I need three scoops  
I could see you in ya beach suit  
Walkin' round my beach view  
Three bedroom penthouse see through  
Just windows rich as nemphos, hey girl  
I can tell where ya need to go  
Where ya oughta be  
On the charter comin' to young carter  
You need direction, I could take you further  
You need affection, I could crush you harder  
You need protection, protection?  
Sweetheart I'm fresh off election  
And if you checkin' I won't be far  
I'll be right on yo radar

So when I find you, I'll neva let cha get away  
Neva let cha slip away  
I'mma lock you down, lock you down  
When I see you, I'll neva look the other way  
Neva let cha slip away

I'mma lock you down, lock you down

Like an anchor in the water  
I got my priorities in order  
It means you be the only one love in my life  
I will vow to neva leave ya  
Rub ya back boy do anything to please ya  
All you gotta do is come around  
And I'mma lock you down

So when I find you, I'll neva let cha get away  
Neva let cha slip away  
I'mma lock you down, lock you down  
When I see you, I'll neva look the other way  
Neva let cha slip away  
I'mma lock you down, lock you down
