Uh oh, whutcha want whutcha gon do nigga It's the man right Chea I know yall nigga ain't fuckin wit me, you lookin for me If you gonna be down with me Be all the way down with me, or get from around me You see what I'm doin but don't like it even though everybody and their moms is bout it bout it Our concerts crowded, crowding used to be down but now you doubt it You fuckin playa hatin cowards! We real over here We buildin the No Limit mountain 2 million records and countin So how the fuck is you soundin Nothin but legends, two multimillionaires rhymin Soundscan be astounded We sellin, y'all drownin Black owned and clownin CDs across the counter Told yall I was gonna do it But you didn't wanna see Wasn't worried about a nigga Till I was leavin Come here, let me show you the difference between a man and a ho It's the man right chea, oh you lookin for me Here I Go! Whutchu want do nigga It's the man right chea Chastise and brutalizing, stop 'em from dissin If I'm in it I own it, put the keys in ignition I hope your seatbelts get fastened I'm known for massive harassing Havin to snatch your ass off the mic Grab ya and slap ya Psh come here, psh shut up I know you ain't gonna do it no more You sayin my name you must be lookin for me Here I Go! Whutchu whutchu want do Whutchu gonna do We can do it whenever however you want to Entrepreneur soldier guns galore Watch em burn bitch burn like a flame thrower Rock it all sharp as a bull's horn Long, strong as a python, whores they get they fight on Soon as I cut my mic on Niggas getting humped or stumped Fumbling mcs I crumble Come through like the reaper So deadly you don't wanna rumble That's right don't panic, Mystikal the mechanic Sank you like a torpedo gigantic as the Titanic Rhymes I'm hummin keep hummin I'ma keep comin Grabbin ya woman But the drummer still drummin

Hard hitter, bullshitter, head splitter when bitter

Assassinate a rookie killa
Like Adolph Hitler
A mandingo WARRIOR
Opponents get crushed
I'm too cruel to be moved
Too fuckin much to be touched
Got em danglin and janglin
To that shit when they hear this
Fight me like a Viking, bitch I'm tragic like a terrorist
You think you don't like it but I have yet to begin
You'd rather be my enemy cause I'ma deadly friend
So stay the fuck from around me do I make myself clear
Unless you lookin for the man
Cause the man right chea
