Number One

Ah uh uh oh Ah uh uh oh Ah uh uh oh Ah uh uh oh (na na naii) Ah uh uh oh (Tinchy Stryder) Ah uh uh oh (N dubz) Ah uh uh oh (yo)

It was nothing but a quick think Kids games, kiss chase, just a quick fling Now I'm hoping you never go missing Now I'm telling you, you can hold this ring, watch how it glistens It was done as quick as the wind blows Didn't think I would ever be involved So I even wrote a song called 'don't go' Now it's just you and me on a love row Dappy like dino us two tip toes duck dive get low And now I care less about who knows Now we're deep in way past intro dappy explain yo

See never did I think a boy like me would be in need When all I really wanted was to have some fun Now I'm losing my head, I'm telling you one thing You're number one

See I don't understand how you're number one When it was just a fling before now, you're the one See all I did was blink twice,

From my homie to my only Number one

Ah uh uh oh Ah uh uh oh Ah uh uh oh Ah uh uh oh

I never thought I'd get here Never thought I would care Cause I was always looking out for me I was being selfish, I couldn't see All I want was right in front of me But baby I've changed Cause you got me tamed You're my number one now priority

See never did I think a boy like me would be in need When all I really wanted was to have some fun Now I'm losing my head, I'm telling you one thing You're number one

See I don't understand how you're number one When it was just a fling before now, you're the one See all I did was blink twice,

From my homie to my only

N-Dubz

Number one

You lift me off the ground I always want you around I ain't gonna let nothing get in the way I'll never let nothing get in the way

You lift me off the ground I always want you around I ain't gonna let nothing get in the way I'll never let nothing get in the way

Trust me when I say I ain't never gonna let nothing get in the way Cause we was always cool as freinds back in The day It's funny how you changed it's got me going Insane See you ain't like the rest you run in your own lane You are number one

See I don't understand how you're number one When it was just a fling before now, you're the one See all I did was blink twice,

From my homie to my only Number one

You're number one you're in the race You're a leader Girl you're out of this world I can't see ya And now you got a place in my heart It's funny how you actually went From my homie to my only Number one
