Yo give me somethin' to dance to

Calling the police, Calling the g-men Calling all americans

Arabian Prince, back wit' a style that's hype Not slow and low, it's the fast type Gettin dumped, can you hear the drums Yo Dre why don't you pump it up some I pumped it up so now what's up Yo Yella boy, add a little cut What the hell, you think we need some bells Yeah, homeboy, might as well There it is, so now what's next A little ssssssssss So find me a ho, wait a minute You need somethin' else then This is what I want you to do Feel the groove, bust a move Yo I'm tired, what about you Man this is somethin' to dance to

Man that's wack, everybody used that
Yo, why dont you bring back the other track
Yeah there you go that's what I'm sayin
I like it when that dope stuffs playin
Real loud, in ya ear hole
Man let's go, I think my feet are swoll' from dancin' so damn m
uch
Maaaaaan, I don't give a what
You wanna leave? With all these females pullin on my sleeve
I bet, you can jet, homeboy, no sweat
This is what I want you to do
Feel the groove, bust a move
This is somethin' to dance to

Let the bass kick Th-th-this is somethin ta dance to (7x)
