

Beauty & A Beast

Nadia Oh

She's a beauty & a beast yeah
She's a beast yeah
In the sheets yeah
She's a beast yeah
She's a beauty & a beast
She's a beast yeah
She needs a leash yeah
She's a beast
She's a beauty & a beast

From the club to the bed
This nights a movie
She's gotta camera
She wants to zoom in

She's phenomal, like an animal
Bouncing of the bed like, bouncing of the wall like

She's not just trying to be arrogant
Her shit is out of control
Imagine finding her... in a spot like this
Imagine taking her home

She's a beauty & a beast yeah
She's a beast yeah
In the sheets yeah
She's a beast yeah
She's a beauty & a beast
She's a beast yeah
She needs a leash yeah
She's a beast
She's a beauty & a beast

Rose up to the club
She walks straight in
Straight past the line
Like every time

She's phenomal, like an animal
Bouncing of the bed like, bouncing of the wall like

She's not just trying to be arrogant
Her shit is out of control
Imagine finding her... in a spot like this
Imagine taking her home

She's a beauty & a beast yeah
She's a beast yeah
In the sheets yeah
She's a beast yeah
She's a beauty & a beast
She's a beast yeah
She needs a leash yeah
She's a beast
She's a beauty & a beast
