Nadia Oh

Rip it up, tear it down
Put it up and start again
Rip it up, tear it down
Put it up and start again

Rip it up, tear it down
Put it up and start again
Rip it up, tear it down
Put it up and start again

Rip it up, tear it down
Put it up and start again
Rip it up, tear it down
Put it up and start again

Rip it up, tear it down
Put it up and start again
Rip it up, tear it down
Put it up and start again

Rip it up, tear it down
Put it up and start again
Rip it up, tear it down
Put it up and start again

Rip it up, tear it down
Put it up and start again
Rip it up, tear it down
Put it up and start again
Rip it up, tear it down
Put it up and start again

Rip it up, tear it down
Put it up and start again
Rip it up, tear it down
Put it up and start again

Rip it up, tear it down
Put it up and start again
Rip it up, tear it down
Put it up and start again
