It is absolutely silly and unproductive to have a funeral for the word nigger when the actions continue we need to have a move ment to resurrect brothers and sisters not a funeral for nigger scause niggers don't die

Ugh yeah yo I'm creepy and crawling
In your sink or your toilet
I'll be drinking from your spit
Anything cause I'm more less an insect with 4 legs
People come and I fake dead
Correction I got 8 legs
Climbin on top your plate bed
Where ever I smell food
It could even jail food
Stale food that's molded
A roach is what I am fool
The ghetto is my land fool
I'm a never be able to fly like a bumblebee

Try not to be underneath Your sneaker Pitiful creature I'm not afraid of your pesticide Or ray Cause in heavens my creator I love it when the lights off Eating from same knives forks From any mans dinner See my antennas You can't win You can't stand the crunchy sound I make if you squash me Learn to live with me How much your roast? costing You and the city But yo we everywhere Check your house I bet we there
