

# Anytime, Anyday, Anywhere

Nat King Cole

Anytime, any day, anywhere  
Say the word, you'd be heard  
I'll be there

Makes no difference where it leads me  
I'll come running if you need me  
Anytime, any day, anywhere

It makes no difference where it leads me  
I'll come running if you need me  
Anytime, any day, anywhere  
Anytime, any day, anywhere  
Any day, anywhere

Anytime, any day, anywhere  
Say the word, you'd be heard  
I'll be there  
Anytime, any day, anywhere
