

# I Know That You Know

Nat King Cole

I know that you know  
That I'll go where you go  
I choose you, won't lose you  
I wish you knew how much I long  
To hold you in my arms

This time is my time  
Will soon be goodbye time  
Then in the star light, hold me tight  
With one more little kiss  
Say, nighty night

I know that you know  
That I'll go where you go  
I choose you, won't lose you  
I wish you knew how much I long  
To hold you in my arms

This time is my time  
Will soon be goodbye time  
Then in the star light, hold me tight  
With one more little kiss  
Say, nighty night
