

Maybe It's Because I Love You Too Much

Nat King Cole

Maybe it's because I love you too much
Maybe that is why you love me so little

Maybe when I answered, yes
Maybe I became a bore
Maybe if I loved you less
Maybe you would love me more
Maybe it's because I've kissed you too much
Maybe that is why my kiss means so little

Maybe with a love so great and a love so small
Then, maybe I'll be left with no love at all
