This Can't Be Love

Nat King Cole

This can't be love because I feel so well No sobs, no sorrows, no sighs This can't be love, I get no dizzy spells My head is not in the skies

My heart does not stand still, just hear it beat This is too sweet to be love This can't be love because I feel so well But still I love to look in your eyes, oh yeah

My heart does not stand still, just hear it beat Oh, it's too sweet to be love
This can't be love because I feel so well
But still I love to look in your eyes
But still I love to look in your eyes
