

# To the Ends of the Earth

Nat King Cole

To the ends of the earth  
I'll follow my star  
To the ends of the earth  
Just to be where you are

No matter where you roam  
I'll never be far behind  
Who cares where the path may wind  
As long as I find you?

Though the melody dies  
The song lingers on  
And a thousand goodbyes  
Won't convince me you're gone

I'll follow you, my love  
You'll never be free  
To the ends of the earth  
Till you've given your love to me

To the ends of the earth  
I'll follow my star  
To the ends of the earth  
Just to be where you are

No matter where you roam  
I'll never be far behind  
Who cares where the path may wind  
As long as I find you?

Though the melody dies  
(Though the melody dies)  
The song lingers on  
(The song lingers on)

And a thousand goodbyes  
(And a thousand goodbyes)  
Won't convince me you're gone  
(Won't convince me you're gone)

I'll follow you, my love  
You'll never be free  
To the ends of the earth  
Till you've given your love to me
