

## To Whom It May Concern

Nat King Cole

To whom it may concern  
You've found another love, I know  
To whom it may concern  
My heart won't ever let you go

You tore my heart apart  
When you found somebody new  
But you found out that your heart  
Could be broken, too

So to whom it may concern  
You've learned that heartache has no pride  
Pretending unconcerned won't stop the tears  
You try to hide

And when you're all alone  
With just a memory  
That's when I'll bet, you'll learn  
The one who's most concerned is me

And when you're all alone  
With just a memory  
That's when I'll bet, you'll learn  
The one who's most concerned is me
