

# Don't Explain

Natalie Cole

Hush now, don't explain  
Just say you'll remain  
I'm glad that you're back  
So don't explain

Quiet, don't explain  
Tell me what is there to gain?  
Skip that lipstick  
No, no, don't explain

You know that I love you  
And what love endures  
All my thoughts are of you  
For I'm so completely yours

Cry when I hear folks chatter  
'Cause I know you cheat  
Oh, the right or wrong don't matter, honey  
When you're with me, sweet

Hush now, don't explain  
You're my joy and you're pain  
My life, oh, is yours, love  
So don't explain

I said, my life is yours, love  
So don't explain  
You don't have to explain
