

# Everlasting

Natalie Cole

Yeah, yeah, yeah, yeah  
Woah, ho ho

Everlasting, what a feeling  
Just to know the love we've got is  
Everlasting and never ending  
Is all I need to keep on givin'

I was just an average girl  
Playing the field, hoping  
For someone to come into my world  
Someone not afraid to look into my eyes

And make a connection  
Then you walked in my direction  
And from the moment that we touched  
I knew what we found was

Everlasting, what a feeling  
Just to know the love we've got is  
Everlasting and never ending  
Is all I need to keep on givin'

Walking down a one way street  
I had to be careful  
'Cause it seemed that every guy that I'd meet  
Was looking just to have another one night stand

But through your devotion  
I surrendered my emotion  
I'm giving you the best of me  
'Cause I'm sure that we'll be

Everlasting, what a feeling  
Just to know the love we've got is  
Everlasting and never ending  
Is all I need to keep on givin'

Everlasting love, oh yeah  
It's gonna be, it's gonna be a  
Everlasting love, uh, ha

Even though the cold wind's blowin'  
Nothing keeps our love from growin'  
Through the fire we will survive together  
Until the end of time

Everlasting, what a feeling  
Just to know the love we've got is  
Everlasting and never ending  
Is all I need to keep on givin'

Everlasting, what a feeling  
Our love's gonna grow  
Even through the fire, baby  
Everlasting and never ending

Even though the cold wind's blowin'  
Nothing keeps our love from growing  
Through the fire we will survive together  
Until the end of time

Everlasting, what a feeling  
It's gonna be, it's gonna be a  
Everlasting and never ending  
Until the end of time  
And even through the fire, baby

Everlasting, what a feeling  
Just to know that the love we've got is  
Everlasting and never ending  
What a feeling

Everlasting love, woah  
Everlasting love, woah  
Everlasting love, woah  
Everlasting love, woah
