

I'm Glad There Is You

Natalie Cole

Said I, many times, love is illusion,
A feeling result of confusion.
With knowing smile, and blazing sigh,
A cynical so-and-so was i.

I felt so sure, so positive,
So utterly, unchangingly certain.
But I never was aware of love and you,

And suddenly I realized
There was love and you,
And I, and i.

In this world of ordinary people
Extraordinary people
I'm glad there is you

In this world of over-rated pleasures
Of under-rated treasures
I'm so glad there is you

I live to love, I love to live with you beside me
This role so new, I'll muddle through with you to guide me

In this world where many, many play at love
And hardly any stay in love
I'm glad there is you

In this world where many, many play at love
And hardly any stay in love
I'm glad there is you

More than ever, I'm glad there is you
