

# (I've Seen) Paradise

Natalie Cole

Hm, hm  
Hm, hm, hm, hm  
Just like a welcome fire  
That comes in the cold  
You make my heart warm  
And a little more love is born  
And I'm caught up once again on you  
Soft as a rose, your tenderness glows  
But you're so strong  
And I know I'm gonna love you long  
Well, crazy maybe  
But I've seen paradise  
Here in your eyes  
I'm in seventh heaven  
Ooh, there's nothing quite  
Like spending your life  
With a special someone  
It feels so right  
When the lights are out  
And I'm in the dark  
I'm not afraid, no  
Long as I can get a piece of your heart  
And the wind sighs  
I love you  
Specially when we touch  
I need it so much  
And I'm glad that we found love  
Let the record show that I know that I've  
Seen paradise here in your eyes  
I'm in seventh heaven  
Ooh, there's nothing quite  
Like spending your life  
With a special someone  
It feels so right  
Hmm, ooh (paradise)  
Hey, I'm in para, para-dise, yeah  
I'm in paradise, you know  
You know that I like, you know that I like  
You know that I like to be in paradise  
(Paradise) I'm in paradise  
And for those who think that there's no such thing  
As eternity, they should take a look at you and me  
We have got the perfect harmony  
Specially when we touch  
You know I need it, oh, so much  
I'm in heaven specially when I'm with you, hey  
I'm in paradise (paradise)  
I'm in paradise, paradise and a  
Here in your life  
Here in your eyes (paradise)  
Oh really, I'm in paradise  
You know that I like, you know that I like  
You know that I like to be in paradise  
(Paradise) I wanna move with you  
I wanna groove you, baby  
With me, with me in paradise  
I said I'm in paradise

Ooh, ooh, Hoo (paradise)  
Yeah, to be in paradise with you and me  
To be enough, paradise here in your eyes  
Woh, woh, woh, woh, woh  
You that I like, you know that I like  
You know that I like, you know that I like  
You know that I like  
You know that I like, I like  
I like to be in paradise  
Spending my life, spending my life  
Spending my life, spending my life  
Spending all my life with you  
Here in paradise, wooh  
Yeah, yeah, yeah, yeah
