

Lovin' Arms

Natalie Cole

If you could see me now
The one who said
That she would rather roam
The one who said
She'd rather be alone
If you could only see me now

If I could hold you now
Just for a moment
I could really make you mine
Just for a little while
Turn back the hands of time
If I could only hold you now

I've been too long in the wind
And too long in the rain
Takin' any comfort that I can
Lookin' back and hopin' for
The freedom of my chains
Lyin' in your lovin' arms again
Lyin' in your arms again

If you could hear me now
I'll be singin' somewhere
In the lonely night
And I'll be dreamin' of the arms
That used to hold me tight
If you could only hear me now

'Cos I've been too long in the wind
And too long in the rain
I'm takin' any comfort that I can
Lookin' back and hopin' for
The freedom of my chains
And lyin' in those lovin' arms again
In your lovin' arms again

I can feel those lovin' arms
I can feel 'em holdin' me close
Nothin' like lovin' arms
There's nothin' like lovin' arms
There's nothin', nothin'
Nothin' like lovin' arms
