

Pick Yourself Up

Natalie Cole

Pick yourself up, take a deep breath
Dust yourself off and start all over again.
Nothings impossible I have found
For when my chin is on the ground
I pick myself up, dust myself off and start all over again
Don't lose your confidence if you slip
Be grateful for a pleasant trip
Just pick yourself up and dust yourself off
Start all over again.

Work like a soul inspired till the battle of the day is won
You may be sick and tired, but you'll be a man my son.
Will you remember the famous men
Who had to fall to rise again
So take a deep breath, pick yourself up
Dust yourself off and start all over again
Don't lose your confidence if you slip
Be grateful for a pleasant trip
Just pick yourself up dust yourself off
And try to start all over again.

You gotta work like a soul inspired till the battle of the day
is won
You may be sick and tired, but you're gonna be a man my son.
Will you remember the famous men
Who had to fall to rise again
So take a deep breath, pick yourself up
Dust yourself off and have a nice trip
And start all over again!
