Sorry

Natalie Cole

We used to be so very happy And we used to have so much fun And we used to spend our time together We were as close as anyone

I used to feel your every feeling I was a part of your every dream I'm not saying that, "You've thrown me aside" But oh that's just the way that it seems

So if I've done anything that I shouldn't have done Wanna say, "I'm sorry, darling, I'm so sorry" And if I said anything that I shouldn't have said I'm sorry, sorry, yeah

Now we're just getting used to a brand new situation And I found out that temptation just won't let ya do good So we must sit down and talk and be for real to each other 'Cause I don't want my love for you to be misunderstood

If I've done anything that I shouldn't have done I'm sorry, oh baby, I'm so sorry If I said anything that I shouldn't have said

I'm sorry, I'm sorry, I'm sorry, oh Lordy, I'm so sorry Sorry, sorry, sorry, hey, sorry If I've, if I've done anything, done anything I That I shouldn't have done, shouldn't have done

I'm sorry, I'm sorry, baby, I'm sorry If I said anything, if I, if I said anything I That I shouldn't have said, shouldn't have said Well I'm so, I'm sorry, sorry, sorry, sorry if I've done anythi ng

I'm really, really sorry, baby, that I shouldn't have done Ooh baby, I'm, I'm sorry, sorry, sorry, Sorry, I'm If I said anything, sorry, I'm sorry that I shouldn't have said

I'm so sorry, I'm sorry, sorry, really sorry I'm so sorry, yeah, sorry, I'm so sorry, sorry
