

# Stairway To The Stars

Natalie Cole

There's a silver trail of moonlight leading upward to the sky  
And the night is like a velvet lullaby  
There's a heaven of blue  
And we'll go there, just you and I

Let's build a stairway to the stars  
And climb that stairway to the stars  
With love beside us to fill the night with a song

We'll hear the sound of violins  
Out yonder where the blue begins  
The moon will guide us as we go drifting along

Can't we sail away on a lazy daisy petal  
Over the rim of the hill?  
Can't we sail away on a little dream  
And settle high on the crest of a thrill?

Let's build a stairway to the stars  
A lovely stairway to the stars  
It would be heaven to climb to heaven with you

Let's build a stairway to the stars  
A lovely stairway to the stars  
It would be heaven to climb to heaven with you
