The Best Is Yet to Come

Natalie Cole

Out of the tree of life I just picked me a plum You came along and everything starting to hum Still it's a real good bet the best is yet to come

The best is yet to come, and babe won't it be fine? You think you've seen the sun but you ain't seen it shine

Wait till the warm up's underway
Wait till our lips have met
Wait till you see that sunshine day, ain't nothing like it yet

The best is yet to come, and babe won't it be fine? The best is yet to come, come the day your mine Come the day your mine

I'm gonna teach you to fly, we've only tasted the wine We're gonna drink that cup dry Wait till your charms are ripe for these arms to surround

You think you've flown before but you ain't left the ground Wait till you're locked in my embrace, wait till I draw you nea r

Wait till you've seen that sunshine place, ain't nothing like i t here

The best is yet to come, and babe won't it be fine? The best is yet to come, come the day you're mine Come the day you're mine, come the day you're mine The best is yet to come, and babe won't it be fine?
