

You Were Right Girl

Natalie Cole

It's hard to say how long its been, but once upon a time
You were my best friend, I'm sorry I hurt you but I loved him,
loved him
You said I'd get hurt in the end, you tried to warn me with goo
d advice
Instead of listening, I paid the price, yes I did, you told me
back then
You said he'll love you, leave you, you said his heart was cold
as ice
And you were right girl, yes, he played me for a fool, (you wer
e right girl)
Hmm, it all came true, (you were right girl), I know
I should have known it all along, (you were right girl)
Yes, you were right and I was wrong, I thought you blamed him f
or your mistakes
That all your put downs were just sour grapes, you told me back
then
That they'll be lyin, cryin' and it won't be his heart that bre
aks
And ooh, (you were right girl) you were right girl
He played me for a fool, (you were right girl) oh
It all came true, you were (you were right girl) right girl
Yes, I should have known it all along (you were right girl)
You were right girl, you were right and I was wrong
Oh, what made me think that I was different from you
That I could make him do what he wouldn't do for you
Now you told me back then I'd never change him, change him
But he'd change me before he's through, and ooh (you were right
girl)
You were right girl, he played me for a fool, he really did
(You were right girl) well, it all came true, (you were right g
irl)
You were so right, I should have known it all along (you were r
ight girl)
Oh, yes, you were right and I was wrong, oh, (you were right gi
rl)
He really played me for a fool, (you were right girl)
Nah, nah, nah, nah, nah, it all came true (you were right girl)
yeah, (you were right girl) you were right girl
I should have known it all along, (you were righ girl)
You were right girlfriend, you were right and I was wrong, woo,
woo, woo
(You were right girl) you were right my girl, (you were right g
irl)
You were right my girl, he played me for a great big fool
