## **Beauty on the Fire**

## **Natalie Imbruglia**

- 1. Here it comes again
  Cannot out run my desire
  Cover my decent
  And throw the Beauty on the fire
  Drawn towards the edge
  Do I assume I could fly
  Every secret shared
  Why do I drink the feelings dry
  Don't go too far
  Limitation scars
- R: Tonight could I be lost forever
  To drown my soul in sensory pleasure
- 2. Here it comes again You raise the bar even higher I cannot catch my breath So throw the Beauty on the fire Don't push too hard Limitation scars
- R: Tonight could I be lost forever
  To drown my soul in sensory pleasure
  sensory pleasure sensory pleasure
  sensory pleasure could I be lost forever
