

# Hurricane

Natalie Imbruglia

It came on like a hurricane  
And I don't understand  
And it moved me  
Like a slow dance  
Still I don't understand  
It pushed me like a tailwind  
And I don't understand  
And it came in  
Through the back door  
And I don't understand  
Still I don't understand  
You're all that I could need  
And I'm falling on my knees

Hurricane  
You pulled me out of the past  
And landed me in today  
Hurricane  
You pulled me out of the past  
And walked me into tomorrow  
Hurricane

It picked me like a cherry  
And I don't understand  
And it killed me with the craving  
Still I don't understand  
It thrilled me to starvation  
And I don't understand  
And it stripped me ugly naked  
And I don't understand  
Still I don't understand

You're all that I could be  
And I'm falling on my knees
