

# Intuition

Natalie Imbruglia

Everybody's been in my face  
tellin' me I gotta make a change  
all I ever hear day and night is "you better hurry up and get  
a life"

I need some direction - 'cause the clock is ticking away  
then a friend of a friend of mine  
says I've really been on his mind  
find wants to go out and check out what the feelin's about  
says we have a deep connection - well it sure is news to me  
and all I can say is  
intuition tells me how to live my day  
intuition tells me when to walk away  
could have turned left  
could haven turned right  
but I ended up here  
bang in the middle of real life

then another one always says - she'd do anything to get ahead  
she doesn't care if she has to scratch and claw to get in the  
door

she wants her 15 minutes of fame and 20 would be nice  
but I guess it's her life  
'cause intuition tells me that I'm doin' fine  
intuition tells me when to draw the line  
could have turned left  
could have turned right  
but I ended up here  
bang in the middle of real life

should have turned left but I turned right  
and I ended up here and I feel alright  
you make it hard for me  
can't find the real you  
you really think that I can't see  
what it is that you're going to do
