Wishing I Was There

Natalie Imbruglia

Take your hand and place it in my pocket flick your eyes back in their sockets put those thoughts away sometimes they're much too loud I'll take a breath and cradle your sweet head should've stayed at home in bed put that face away I'm melting for you I know, I get cold cause I cant leave things well alone understand I'm accident prone me, I get free every night the mood is mine but when the morning comes don't say you love me don't say you need me I really don't think that's fair boy I'm not so dumb but when you leave me I'll be wishing I, wishing I, wishing I was there I dreamt about another girl in bed with you you just laughed and smiled denied the proof we're fine till I think of a problem

I wish it made sense

[chorus]

like a joke that no one gets
it's a life without regret

I want to feel that way, forever and ever
