

# It's Over Now

Natasha Thomas

It's Over Now"

Can you tell me your secrets  
Then I tell you mine  
Show me that you still love me  
Then I show real love

What kind of love have you got?  
You should be home but you're not  
I don't want to believe that it's over now  
I could be wrong, but I'm not  
And you still think you're hot  
I don't want to believe that it's over now

You're walkin' the wire  
Looking for love in between  
But you don't have desire  
Do you know what I mean?

Is it over now?

Wake up  
you lose my lovin  
Wake up  
you stop thinkin  
think twice  
About the things you have said and done
