Nate Dogg

It's a party y'all, tear the roof right off
Bounce with the double O-G
Alllllllllll night loooooong
Get off the wall, all of y'all
Wake up all the people who sleep
Alllllllllll night loooooong

I don't wanna sleep with you, but maybe later on I do
Too smoooooooooth baby
C'mon let me dance with you, girl I like the way you move

Home after a hard day's work
I wanna see the mini skirt
Tonight I wanna take you out
I wanna know what you about
I need to grab some juice and gin
I need to call a couple friends
I want to see you shake it and
I hope this party never ends

It's a party y'all, tear the roof right off
Bounce with the double O-G
Alllllllllll night loooooong
