

# She's Strange

Nate Dogg

I've been lookin' for a girl  
Someone to share my world  
For maybe just a day or two  
You've been actin' so stingy  
I know you wanna' see  
If I can do the things you heard

Actually I'd rather be out with my girls and weed  
I guess that goes go to show you don't know me boy  
If you really want to creep  
Then talk to me with cheese  
Or just don't even talk at all

She's strange and I like it  
Girl when your walk you don't know what you do to me  
I got game  
So don't fight it  
All around the world she's just a sexy girl  
Strange

You be actin' like you cool  
Like you don't want to do  
The things I know you want to do

Are you tryin' to come up  
Or maybe just get fucked

Whatever girl I'm down like you

If you wasn't so damn cute  
I wouldn't even shoot

But yet you choose to shoot me down  
Actually it's time I leave  
You're girl is jockin' me  
I hope she's not another tease

Listen here I'd like to know  
Why you keep actin' strange  
I got no time to chase a hoe  
But I'd like to know your name  
All I got is game to give  
And it's gonna' be cryin' shame  
If you choose to disregard  
And pass up on this game

She's strange and I like it  
Girl when your walk you don't know what you do to me  
I got game  
So don't fight it  
All around the world she's just a sexy girl  
Strange
