

# No Limit

Neil Diamond

Something's gotta be known  
Some don't need to be said  
Which way we're gonna go  
Staying home's just making me mad  
Me, I gotta get out  
Me, I got a few rights  
Don't need to worry or doubt  
'Cause I'm gonna be rocking tonight

Get on board  
Check it out  
Look around,  
Ain't no limit to what love allows

You and me  
Let it be  
Be just fine  
No limit to it anytime

Me, I'm telling the truth  
Saying it right in the crowd  
Any chance with you  
Hey you know I'm gonna be around

Get on board  
Check it out  
Look around,  
Ain't no limit to what love allows

If we don't make it  
We don't make it  
I won't cry  
Well, I've been thinking  
And I know one thing  
We're never gonna make it  
If we don't try

Me, I'm feeling good  
Ain't no fooling around  
I've been misunderstood  
But I know what I'm talking about

Get on board  
Check it out  
Look around,  
Ain't no limit to what love allows

You and me  
Got to fly  
Set it free  
No limit if you just know how  
Ain't no limit to what love allows
