

Just Once More

Nelson

I've got a million pictures in my heart and here at home

But I'm afraid that they'll just fade with time
And photographs are cold
And a memory's hard to hold
And I never got the chance to say goodbye

One more day-one more night
One more chance to get it right
A few more words-a few more laughs
Doesn't seem too much to ask
And I know it's just a dream
But I'd give everything
If you'd walk through that door just once more

Sometimes I catch myself asking you out loud
What you'd do if you were in my place
'cause every day in every way
I've tried to make you proud
I wish that I could tell you face to face

One more day-one more night
One more chance to get it right
A few more words-a few more laughs
Doesn't seem too much to ask
And I know it's just a dream
But I'd give everything
If you'd walk through that door just once more

Seasons come and seasons go
But love lives on-you taught me so
Oh-i've been blessed, I don't think twice
But wouldn't it be nice

One more day-one more night
One more chance to get it right
A few more words-a few more laughs
Doesn't seem too much to ask
And I know it's just a dream
But I'd give everything
If you'd walk through that door just once more
