

# Everybody Talks

Neon Trees

1. Hey baby won't you look my way  
I can be your new addiction  
Hey baby what you gotta say?  
All you're giving me is fiction  
I'm a sorry sucker and this happens all the time  
I found out that everybody talks  
Everybody talks, everybody talks

R: It started with a whisper  
And that was when I kissed her  
And then she made my lips hurt  
I could hear the chit chat  
Take me to your love shack  
Mamas always gotta back track  
When everybody talks back

2. Hey honey you could be my drug  
You could be my new prescription  
Too much could be an overdose  
All this trash talk make me itchin  
Oh my mouth Yeah  
Everybody talks, everybody talks  
Everybody talks, too much

R: It started with a whisper...

\*: Never thought I'd live  
To see the day  
When everybody's words got in the way

Hey sugar show me all your love  
All you're giving me is friction  
Hey sugar what you gotta say?

R: It started with a whisper...

Everybody talks  
Everybody talks  
Everybody talks  
Everybody talks  
Everybody talks  
Everybody talks...back

It started with a whisper  
And that was when I kissed her

Everybody talks  
Everybody talks...back
