

# Not Taking This No More

NERVO

There were times  
When didn't even recognize myself  
I don't know why,  
But I believe the lies that you would tell  
Now, don't you cry and tell me  
That you got the right to speak  
Just listen up now,  
Cause you don't get the chance  
To make me weep  
Finally, finally I see  
He'll never leave her, ooh  
Understand me now,  
You'll never see me 'round 'round, 'round here  
Cause I don't believe ya  
And the fantasy is dead  
Stop messing with my head,  
Cause now I know

I'm taking this no more, no no no  
I'm going on my own  
I'm leaving you alone  
I'm taking this no more, no more no more  
I'm going on my own  
I'm leaving you alone  
I'm taking this no more, no more no more  
I'm taking this no more!!  
Going out on my own!
