

If timings everything
stop telling me you're taking your time
I know you're anxious
But you're running your mouth like you're five
Years old again
It's so hard to pretend

Like I know everything
I dont know anything
I wanted you to see
That I got nothin

I'll sit back and I'll watch the show
I'll lay awake and I'll watch the stars as they collide

My eyes they do see
I don't breathe the way I used to
My lips they don't sing
I won't be the way I was on that night

Steady breathing is all I can advise
To a girl with a sweet tooth for revenge
I know I'm crazy but it's so hard to pretend

Like I know everything
I dont know anything
I wanted you to see
That I got nothin

I'll sit back and I'll watch the show
I'll lay awake and I'll watch the stars as they collide

My eyes they do see
I don't breathe the way I used to
My lips they don't sing
I won't be the way I was on that night

Was the night everbody agreed I was wrong about you
I told them you were being so strong
I knew you were a liar
I knew you were a liar from the start
(2x)

Don't treat me like I'm playing a game
Cause baby I don't want to lose
Baby I don't want to risk it all for you

My eyes they do see
I don't breathe the way I used to
My lips they don't sing
I won't be the way I was on that night
