

I know that I've been dancin' around the truth  
Tell me what the hell I'm supposed to do  
And I, I'm a little bit aggitated  
With a slight scent of denial

I'm callin' all the time I know I interrupt  
But it hurts when all I hear is you hangin' up  
And (la da da da da da da) I won't try that again  
I'm callin' all the time I know I interrupt  
But it hurts when all I hear is you hangin' up  
And (la da da da da da da), I won't try that again

La la la la la la la la la la la la  
La la la la la la la la la la la la

Everybody's going to the party and we're having a good time  
And I'm feeling alright tonight with a better judgement  
Everybody's going to the party and we're having a good time  
And I'm feeling alright tonight with a better judgement  
Everybody's going to the party and we're having a good time  
And I'm feeling alright tonight with a better judgement  
Everybody's going to the party and we're having a good time  
And I'm feeling alright tonight with a better judgement  
A better judgement

I'm callin' all the time I know I interrupt  
But it hurts when all I hear is you hangin' up  
And (la da da da da da da), I won't try that again
