

Last Time

New Edition

Last time

I never had a love I couldn't handle but lately since I lost my
baby
I cried about it all the time can't let it go and I don't know
what to do no more

The last time I'll ever love someone again
Give my heart like that again
That was the last time I'll ever trust somebody else I don't ne
ed nobody else

There's something bothering me today
I haven't heard your voice on my phone (ooh ooh ooh oh)
My brother said he saw you and you didn't even ask for me at al
l
I don't even know why you let me, my heart is aching
Oh I'm so lost for words I can't explain how I'm feelin'

The last time I'll ever love someone again
Give my heart like that again
That was the last time I'll ever trust somebody else I don't ne
ed nobody else

Lately I've been missing you everyone's been seeing you
Why should I pretend my heart's been broke again
It makes no sense to claim you know
Where were you when I was down
It doesn't even matter at all everyone has to fall

The last time I'll ever love someone again
Give my heart like that again
That was the last time I'll ever trust somebody else I don't ne
ed nobody else
