Last time

I never had a love I couldn't handle but lately since I lost my baby

I cried about it all the time can't let it go and I don't know what to do no more

The last time I'll ever love someone again

Give my heart like that again

That was the last time I'll ever trust somebody else I don't ne
ed nobody else

There's something bothering me today
I haven't heard your voice on my phone (ooh ooh ooh oh)
My brother said he saw you and you didn't even ask for me at al
l
don't even know why you let me, my heart is aching

The last time I'll ever love someone again

Give my heart like that again

That was the last time I'll ever trust somebody else I don't ne
ed nobody else

Lately I've been missing you everyone's been seeing you Why should I pretend my heart's been broke again It makes no sense to claim you know Where were you when I was down It doesn't even matter at all everyone has to fall

Oh I'm so lost for words I can't explain how I'm feelin'

The last time I'll ever love someone again

Give my heart like that again

That was the last time I'll ever trust somebody else I don't ne
ed nobody else
