

Welcome!

This is your access to a new stage.

Another opening of a new page.

We have been waiting for you.

For a decade to breakthrough.

Here from the center of Tokyo, we'll unite and take control.

We'll cross nations and generations.

We'll see beauty and new sensations.

We'll fly to the north, overseas to the south.

On the wing to the east, and glide west for world quest.

We are a compass to your future.

We'll guide you to the ultra.

We are the Four.

We are what you've been looking for.

K. K. S. K. T. M. Y. T.

We are back.

We are NEWS.
