I Took it Out on You

Newton Faulkner

Of all the people in the world I took it out on you
Even after all the things you've done for me what a thing to do
You won't let me down don't let me down,
But I let you down it's true
Until the end you'll be my friend no matter what I do

I took it
I took it
I took it out on you
I took it out on you

I'm sorry for the things I said I didn't mean them at all
The one who's close and means the most and never lets me fall
I'm such a fool, I'm such a fool I didn't let you know
How bad I felt when you were trying to help
And I would just tell you where to go

I took it
I took it
I took it out on you
I took it out on you

Now that it's done unforgiven
I don't know why I find it hard to say
Now that it's done unforgiven
I'll make it up to you I'll take all the blame

I took it
I took it
I took it out on you
I took it out on you

Oh Oh Oh Oh
Oh Oh Oh Oh
Oh Oh Oh Oh
Oh Oh Oh Oh

I took it
I took it
I took it out on you
I took it
I took it
I took it out on you
I took it out on you
