

Stay and Take

Newton Faulkner

I used to play it safe
Stick to the right ways
Calling for help but you get what you get
We turned the tables before
Now they spin even more
Turning and turning and turning
Won't you stay and take

Taking the hard way
Breaking your heart again
Lost in the big waves
They're pulling you down
Come and let your feelings out
Come and let your guard down
Learning and learning and learning
Just stay and take

Stay-ay-ay
Stay-ay-ay
Stay-ay-ay and ta-ake
Stay-ay-ay
Stay-ay-ay
Stay-ay-ay and ta-ake

Flowers and chinwags
Puffing the white dress
Knife in the back
When you're down on the ground
Hopeless fair and not that worn
Nothing's like it was before
Turning and turning and turning
Just stay and take

Stay-ay-ay
Stay-ay-ay
Stay-ay-ay and ta-ake
Stay-ay-ay
Stay-ay-ay
Stay-ay-ay and ta-ake

Stay-ay-ay
Stay-ay-ay
Stay-ay-ay and ta-ake
Stay-ay-ay
Stay-ay-ay
Stay-ay-ay and ta-ake

Stay and take
I used to play it safe
Stick to the right ways
Calling for help but you get what you get
We turned the tables before
Now they spin even more
Turning and turning and turning
Turning and turning and turn
Won't you stay and take

Stay-ay-ay
Stay-ay-ay
Stay-ay-ay and ta-ake
Stay-ay-ay
Stay-ay-ay
Stay-ay-ay and ta-ake

Stay-ay-ay
Stay-ay-ay
Stay-ay-ay and ta-ake
Stay-ay-ay
Stay-ay-ay
Stay-ay-ay and ta-ake

Stay-ay-ay
Stay-ay-ay
Stay-ay-ay and ta-ake
Stay-ay-ay
Stay-ay-ay
Stay-ay-ay and ta-ake
