

Girls In the USA

Nick Carter

For all the pretty girls I say yea yea yea

To all my girls in the USA
Ya got a fine thing goin' so I gotta say
You've been good to me so now I'm down
Gotta drop the line gotta give you a shout

L.A. girls give me the sign
See you on the strip, lookin' too damn fine
My Texas honeys always on the road
Give me lots of love at the Alamo

To my D.C. girls workin' nine to five
With the business suits keep the country in line
All the Tampa Girls, let me hear you scream
On the Ybor Strip, walkin' on the street, yeah

Why does she walk that way (walk that way)
Why she spends my money the American way
Why coast to coast, New York to L.A.
Why to all my girls in the USA

I got a little thing in Denver Hills
A real fine mama with a sex appeal
And Boston's got the ones I love
With the college girls at the Aria

And I've always been down with the NYC
'Cause I love the legs of Miss Liberty
Hawaii girls they make me the lei
When I wanna treasure hunt for some candy

And I still gotta get my desert fix
Get some Vegas girls who know special tricks
To my Carolina girls, let me rock you all
To my Jersey girls chillin' at the mall

Why does she walk that way
Why she wears stars and stripes and she's ready to play
Why coast to coast, New York to L.A.
Why to all my girls in the USA

(Girls in the USA) She'll make it hot when ya
(Girls in the USA) Shake what you got for me
From the East Coast to the West Coast
All around the world we're singing

(Girls in the USA) She'll make it hot when ya
(Girls in the USA) Shake what you got for me
From the North town to the dirty South
All around the world we're singing

Gimme the, gimme the, gimme the pretty girls them, hey
Them a girls get a know that in, hey
Gimme the pretty girl them
Me why you fe shout out, "Yea, yea, yea!"

Gimme the pretty girls me why, you say, "Why?"
Lot of love fe you want you say, "Why?"
Gimme a U and a S and a A
For all the pretty girls, just say, "Yea, yea, yea!"

To all the girls that I might've missed
Don't take offense you're on my list
If you wanna yell let me hear you say
God bless the girls of the USA

Why does she walk that way
Why she spends my money the American way
Why coast to coast, New York to L.A.
Why oh, oh, oh yeah

Why does she walk that way
Why she wears stars and stripes and she's ready to play
Why coast to coast, New York to L.A.
Why to all my girls in the USA
